RATIONALISED ABS RETROFIT KITS POWERED VEHICLE APPLICATIONS

TRUCK ANTI LOCK

ARE YOU LOSIN' IT?

Then you need the enhanced safety and stability that only an intelligent electronic brake control system like ABS can deliver.

- ✓ Total vehicle control and stability, regardless of load, road, or weather.
- ✓ Elimination of costly tyre flat spots, accident damage and downtime.
- ✓ Simple blink code and sophisticated PC diagnostic options.
- ✓ Fully sealed/enclosed ECUs available for external chassis mounting.
- ✓ Optional Automatic Traction Control (ATC).

Only AIR BRAKE CORPORATION OF AUSTRALIA gives you so many options in world leading ABS technology - for 12 or 24 volt vehicles, complete with pre-wired plug-in harnessing or separate cables for DIY enthusiasts.

WABCO 'D-SERIES' KIT, EXTERNAL MOUNTING*

c/w prewired harnesses and all ancillary components
(*ECU designed for external chassis mounting)

ABS0130.12.... 4S/4M 12 volt kit (ATC optional)

ABS0130.24.... 4S/4M 24 volt kit (ATC optional)

ABS0160.12.... 6S/6M 12 volt kit (c/w ATC)

ABS0160.24.... 6S/6M 24 volt kit (c/w ATC)

WABCO 'D-BASIC' KIT, EXTERNAL MOUNTING*

c/w prewired harnesses and all ancillary components
(*ECU housed in external chassis mounted enclosure)

ABS0330.12.... 4S/4M 12 volt kit

ABS0330.24.... 4S/4M 24 volt kit

Add following parts to above for trailer ABS interface...

ABS0750.03.... trailer ABS cable, ISO7638 socket

ABS0090.01.... trailer ABS suzi, ISO7638 plugs

ABS156.00..... 24v to 12v reducer (24v vehicles only)

WABCO 'D-BASIC' KIT, CAB MOUNT ECU

comes with separate cables for DYI wiring enthusiasts

ABS0230.12.... 4S/4M 12 volt kit

ABS0230.24.... 4S/4M 24 volt kit
